

# MATH/NUMBER AWARENESS

**Reading bar graphs:** Direct your child to read the bar graph by counting how many of each item there are. Then ask him to write that number in the box below the picture.

There are \_\_\_\_\_ boats than cars.

There are \_\_\_\_\_ dump trucks than rockets.

There are \_\_\_\_\_ subs than jets.

The number of rockets is \_\_\_\_\_ the number of cars.

SCHOOL SPARKS

**Tip for parents:** Encourage your child to keep track of the weather for one week. Ask him to report which weather occurred most. Were there more sunny days, windy days, or rainy days?

Why keep the fun all to yourself? Please feel free to share this worksheet with friends.
